

PLANNED GIVING SOCIETY

DESIGNED TO BENEFIT YOU, YOUR FAMILY AND WCH FOUNDATION

Your bequest to Wood County Hospital Foundation will provide the continued support that is necessary to meet the growing healthcare needs in our community. So not only you, but your family and loved ones will have the latest technology and top quality care for years to come. Indeed, your bequest may even contribute to a far better quality of life.

This very simple truth has encouraged us to start our Planned Giving Society for selected supporters of the Foundation.

It is important that everyone have a will – and that a will be carefully thought-out, skillfully drafted by an attorney and kept up-to-date.

Our Planned Giving Society brochures will explain new techniques for developing the most effective and economical estate plan. It also will point out several techniques for benefiting the Foundation – often at very modest cost to your other beneficiaries.

We all believe that your bequest to Wood County Hospital Foundation should be looked upon as an investment in the future. Like other investments, your bequest should bring you the greatest possible personal satisfaction. So please accept our invitation to learn more about us, to become involved in our activities and to carefully consider a financial investment in our future.

YOUR WILL AND WOOD COUNTY HOSPITAL FOUNDATION

Your will is one of the most important documents you will ever sign. Consider that through your will you can accomplish the following:

- Dispose of all the property accumulated within a lifetime;
- Provide financial security for members of your family;
- Benefit those causes you think are important; and
- Memorialize your existence.

We hope you will decide to include a bequest to Wood County Hospital Foundation in your will. We have an informative and easy-to-read booklet that may aid you in planning your thoughtful will. For your complimentary copy, simply send us the enclosed card.

Your bequest to Wood County Hospital Foundation may be expressed in these words:

"I bequeath the sum of \$_____ to Wood County Hospital Foundation, a not-for-profit corporation located in the state of Ohio."

If you wish to restrict your bequest to a specific purpose, please feel free to consult our staff about the many opportunities that exist to make a satisfying and personally rewarding bequest to continue to provide outstanding medical care through advanced technology and superior physicians to meet the demands of our community's changing needs.
