

BD Pyxis™ ES System v1.7.x

Education videos quick reference guide

Overview

The purpose of this quick reference guide is to provide the direct links to BD Pyxis™ MedStation™ ES and BD Pyxis™ Anesthesia Station ES v1.7.x education videos as resources for customers. The links included can be used in the ways specified below:

Post links for the use of your employees, contractors, students and affiliates.

Post the links in your intranet, Learning Management System (LMS), or any other web-based resource available to users in your organization.

You may NOT edit the contents of any video in this collection.

You may NOT repost the material to another video playing service available to the general public (like YouTube, Vevo, TikTok, SnapChat, etc.) or to any social media service available to the general public, like Facebook, Twitter, Instagram, etc.

These video links **DO NOT** produce a certificate of completion.

If you need a certificate of completion, visit [My BD Learning](#) to access the appropriate course or learning path appropriate to your product, version, and/or role.

Support
